

Reddi Shyamanth Naidu

Software Engineer | Computer Science (Machine Learning)

University of Wisconsin–Stout

United States

Email : shyamanthnaidureddi@gmail.com| Phone: 7153088333.

SUMMARY

Motivated Computer Science student specializing in Machine Learning with strong foundations in software development and web technologies. Experienced in academic team projects using Java, C++, JavaScript, HTML, and PHP. Actively seeking entry-level software engineering or internship opportunities to apply problem-solving, teamwork, and leadership skills in an industry setting.

EDUCATION

Bachelor of Science in Computer Science (Machine Learning)

University of Wisconsin–Stout

Expected Graduation: May 2027

TECHNICAL SKILLS

Programming Languages: Java, C++, JavaScript, PHP

Web Technologies: HTML, CSS, JavaScript

Concepts: Object-Oriented Programming, Basic Machine Learning Concepts, Problem Solving & Debugging

PROJECTS

Card Game Application (Team Project)

- Designed and implemented a card game inspired by Malaysian card game rules
- Developed core game logic using Java / C++
- Collaborated with team members to debug and improve gameplay flow

Hotel Website Project (HTML-Based Web Project)

- Built a static hotel website using HTML, CSS, and JavaScript
- Designed pages for hotel overview, room details, and recipe/menu sections
- Focused on clean layout and user-friendly navigation

SOFT SKILLS

Teamwork, Communication, Leadership, Time Management, Adaptability
